MCKINLEY CONVERTS.

Many Democrats Talking
for the President.

Bryan's Neighbors in the Ex-
odus From His Party.

Long List of Prominent Men Who
Have Come Over.

New York, October 14. — Advice be-
ing received at the Republican nation-
al headquarters in this city indicate
that Mr. Bryan will soon be hurrying
home to Nebraska. In the rapidly-
growing list of converts to McKinley
none are more significant than those
from Bryan's own state.

Senator Scott to-day had drawn up
a "convert list" and started it off with
Nebraskans. Bryan's neighbors have
found that the leader of the silver
forces is only a pretender, and they
realize that all of his predictions have
proven false. Here is the latest list
of Nebraska Democrats who are work-
ing and talking for McKinley:

NEBRASKA.

J. Sterling Morton, President Cleve-
land's Secretary of Agriculture.

James E. Boyd, the only Democratic
Governor Nebraska ever had.

Gen. Paul Vandervoort, formerly
national commander of the G. A. R.

Omaha Herald.

Judge Eleazer Wakeley, the editor
of the Omaha Bee.

William A. Paxton, who twice as-
sisted in Bryan's election to Congress.

the Omaha Cattle Loan Company, and
cashier of the Union Stock Yards Na-
tional Bank.

Euclid Martin, of Omaha, for years
a leader of the Democratic party.

"The Smith"

A mighty man is he, but he is not
mighty enough to defy disease. It is a
pitiful thing to see the strong man
brought low, his muscles
melting away until he can no
more swing the heavy sledge or
shape the glowing iron.

"I was troubled
with malaria fever
of about three years'
standing and was
under doctors' care
for quite a time,"
writes Mr. J. E.
Kidd, of Farmville,
Wayne Co., Ky.
"They had almost
given me up, and
my suffering was
very great. My
pulse was very
weak, breath short
and I had severe
pains in the back
and legs. Had prostration
of heart, and from
June 1st, 1898, to May 1st, 1899, I was
unable to do a day's work. I purchased five bottles
of Dr. Pierce's Golden Medical Discovery and
before I had finished taking the first two bottles
I was very much better. I continued taking the
medicine, and by the time the fifth bottle was
gone I was a well man."

Dr. Pierce's Golden Medical Discovery
cleanses the blood of the poisons which
feed disease, cures diseases of the stom-
ach and organs of digestion and nutri-
tion, and enables the proper assimilation
of food. It is a flesh forming, muscle
making medicine, making sound flesh
and not flabby fat. It contains no
whisky nor alcohol in any form.

BRYAN THE HOPE

OF AGUINALDO

Says a Soldier in the Philip-
pines—An Interesting
Letter.

Calivo Island Panay, P. I., Aug. 12

Mr. L. D. Bennett, Bada, Ky.

My Dear Uncle—As I have not heard
anything from you for a long time, I
take this opportunity to drop you a
few lines to let you know I am well at
present and hoping, when this
reaches you it will find find everyone
the same.

Well, we are stationed in the same
place, the company has stopped here
longer than any other one place since
I have been in the army. There is
some talk of the Regiment going to
China, but do not know how soon.
For my part I do not care how soon,
because there is not anything going
on around here worth mentioning.

We have not had, what you would
call a good fight, since we came to the
Philippines and from what I can learn
they are having some very good fight-
ing in China. We are out after the
Insurgents often enough here, but can
never come in contact with them.

We are going out to-morrow to burn
an insurrection town near here if they
do not come in and surrender to day,
and there is not much prospect, be-
cause it is now 3 o'clock p. m. They
have had fifteen days previous, the
Insurgents claim they want to hold
out until after the November election,
they have a great deal of faith in Bryan
getting elected President of the
United States; they think then they
will get freedom at once. Another
thing they heard of the United States
taking a part in the China affair, they
think all the soldiers America has got
is in these islands and that we will all
have to be withdrawn to go to China.

They have been rejoicing about the
Battleship Oregon being lost, but they
are now somewhat disappointed to
learn that the Oregon is safe. You
can imagine that they will be a great
deal worse disappointed when they
learn that Bryan is defeated and Mc-
Kinley elected President of the United
States and that they are not going to
get their self government as Mr. Bryan
has promised them. How can we
give them self government after paying
\$200,000,000 for the island and the
trouble and expense we have been
put too. And look at the number of
lives that have been lost, both in ac-
tion and by disease. If these people
had self government it would not be
any time until there would not be
anything but robbing and murdering.

People in the States can talk poli-
tics, especially because they are the
ones that have the most to say, and
but few of them have ever been here
to see the islands or to learn the ways
of the people. They are people that
have kept this insurrection going and
it will never be put down as long
as they have anything to say. But
anyone who has been here and knows
anything about these Filipinos will
never say, give them self government.

Well, I will not say any more on
the subject, because we are sure to
elect another Republican President
and everything will be kept in run-
ning order.

Well, I only have seven months to

To the Voters of the Fourth Congressional District.

IRVINGTON, KY., Oct. 14, 1900.

It was my intention, when I received the nomination
for Congress in the Fourth district at Elizabethtown on
June 18 last, to visit personally all the counties in the
district and it was my hope to meet all the voters person-
ally and explain to them upon what grounds my
candidacy was based. In this, however, I have
been disappointed on account of the convening of the
General Assembly in extraordinary session for the pur-
pose of considering the enactment of a fair election law.

As Senator from the Tenth district I deemed it im-
perative to the best interests of my Senatorial and Con-
gressional districts and to the people of the whole State to
give my entire time and attention to securing the repeal
of the infamous Goebel law and the enactment of a fair
and non-partisan measure. Having been engaged in this
duty for the past seven weeks and as the time for making
a canvass is now limited, I adopt this method of com-
municating with you concerning the conditions in the
Fourth Congressional district at this time.

My opponent, the Hon. David H. Smith, has been
from the first a strong advocate of the Goebel law and a
leading exponent of Goebelism. During the last State
campaign he was closely allied with the men conspiring
to overthrow popular government in Kentucky. After
the election he was one of the first to urge a contest
whereby the will of the people might be set aside and the
State officials, who were defeated at the polls, installed in
office. His name is signed to the petition which was sent
to Mr. Goebel and Mr. Beckham urging them to contest
the offices of W. S. Taylor and John Marshall. To the
neglect of his official duties at Washington he remained
in Frankfort during the greater part of the session of the
Legislature and aided and abetted the plot, which culmi-
nated in the theft of the State offices. He stands to-
day upon a platform, endorsing the Goebel law and oppos-
ing its repeal.

My record as a public servant is known to all and it
successful in this canvass, I pledge myself to serve the in-
terests of the people of this district to the best of ability.

The result of this election is equally as important to the
people of this district as the pending State election. I
hope that every lover of good government will do his
full duty at the coming November election and that my
friends will carefully guard my interests during my en-
forced
